### AMENDMENTS TO THE DRAWINGS

Please amend the drawings as follows:

One sheet of **Annotated Marked-up Drawings**, and one sheet of corresponding **Replacement Sheet** (for Figure 6) are attached at the end of this paper.

As seen in the Marked-up Drawings, Figure 6 has been amended to clarify the written description of the padded sign 312 by showing the back view of the same. To avoid confusion, the perspective view has been amended to be "Figure 6A," and the back view has been denoted as "Figure 6B." The back view of the padded sign simply clarifies the disclosed written description, and does not add any new matter.
